#### **General terms**

All business transactions are subject to our Industry Standard terms and conditions of RHA 2020. The full version of this document is available on our website. Hard copies are available on request. In addition to these terms and conditions, further conditions apply which are detailed below.

#### Liability

Our liability on all domestic UK movements is subject to RHA terms and conditions article 12 which limits the liability to £1,300 Sterling per tonne.

## **Insurance**

Most goods are covered under our liability insurance policy up to the level of RHA. However, not all goods are covered under our policy, and therefore we urge clients to ensure their goods are insured by other means in the case that our policy excludes such items from liability.

Such items which are not insured are; living creatures, bullion, cash and the like, bank notes, stamps, prepaid phone cards and similar, bonds, treasury notes, securities or explosives, fine arts, specie and negotiable instruments, and household or industrial goods during removal or storage which includes personal effects\*.

\*Special terms apply to the movement of Personal Effects. Please see page 3.

In addition to these exclusions, certain high value theft attractive goods are further limited to a maximum of £100,000 in any one claim. These include such items as; wines & spirits, tobacco products, non-ferrous metals in all forms, furs and ready made garments, mobile phones and similar associated products, precious stones or metals and articles made of such materials, audio/visual equipment, computer equipment, software & accessories, and photographic equipment & accessories.

If in any doubt, please refer to our insurance policy on our website which deals with all exclusions in greater detail.

#### **Hazardous goods**

If the customer is unable to provide such documentation, as long as the necessary information is provided in advance, we may complete on the customers behalf. Our charge for completing a Dangerous Goods Note/ Transport Document is GBP25. For providing any further services in respect of marking and labelling these would be discussed *ad hoc*.

#### **Demurrage**

A reasonable time shall be allowed for loading/ unloading proportionate to the size of the shipment. Should this time be exceeded, we reserve the right to charge demurrage at a variable rate in consideration of any lost work as a consequence of such delay. As an indicator, 'reasonable' time in the case of a full load should not exceed 1 hour, against a single pallet shipment cira 15/20 minutes.

# APPLICATION FOR CREDIT FACILITIES

#### **Payment**

If credit is granted, standard terms are strictly 30 days invoice date, unless otherwise agreed in the application for credit. These terms apply irrespective of any other statement expressed in writing by either party. In the case of any claims, there shall be no right of set-off, and our invoice for transport charges should be paid in full, and within the allotted terms.

In cases of late payment, we reserve the right to charge Late Payment Interest in accordance with the legislation in force at the time. We also reserve the right, in extreme circumstances, to exercise a lien on cargoes which may be in our possession.

#### **Proofs of delivery**

We do not, as standard, provide proofs of delivery. If proofs of delivery are required for specific consignments we will gladly provide these when available. However, we do not accept that non-provision of a proof of delivery provides reason to withhold payment of our transport invoice and all our invoices are due for payment within the allotted terms.

#### **Delav**

Please be assured that we will do everything possible to meet any collection and/or delivery criteria quoted in our correspondence.

However, please be aware that in the event of delays beyond our control we cannot be held responsible for any attributed costs which may be incurred. Any transit times are quoted in good faith and are never to be considered as a guarantee.

## **Aborted/altered consignments**

In the event that a consignment is cancelled or reduced without providing sufficient notice, we reserve the right to charge for the consignment as if it had been completed as booked, either in full, or in part in the event that the space is reused with other consignments. We define 'sufficient notice' as 24 hours warning in the case of full and part loads, and 6 normal working hours in the case of Groupage consignments.

In the case of special equipment, this can vary depending on the type of movement but would consider up to 7 days advance warning.

In the case of any questions, please do not hesitate to contact us for clarification of any of the items mentioned in this document.

#### **Personal effects**

In addition to our standard terms and conditions, there are further things which you need to be aware of. Whilst the below is not totally comprehensive, it encompasses some of the frequently asked questions.

We regret that we are unable to transport personal effects except where:

- The goods are professionally packed
- Our contract is with a business
- The collection and delivery points are official businesses
- The collection and delivery points have suitable handling facilities

#### **Insurance**

Personal effects are not covered by our insurance. We strongly recommend that you seek insurance cover before goods are collected from your premises. For full details of our insurance conditions please refer to our website
